PART NUMBER	REASON FOR RETURN

Returns

All processed orders that are returned must have a prior return authorization number.

When calling for a return authorization number please have your invoice ready.

All returns must have a Return Authorization Form completed or they will not be accepted.

it will be subject to a 20% restock fee. All returns must be received in original packaging.

The packaging must be in new condition (no scratches, tears, dents, or other markings).

No exceptions: the sku numbers on the items must be intact.

- Electrical: There are absolutely no returns or exchanges on any electrical parts.
- There are absolutely no returns or exchanges on any Clothing, Special Order items, Decals, or Racing Parts.
